Subject: CFAC Talking Points for a Friday 2/26 call between Senator Tester and Administrator McCarthy

Hi all,

This Friday Administrator McCarthy is having a call with Senator Tester regarding the Butte/Silver Bow Superfund Site. Since we just had a call with staff yesterday on CFAC, I want to be sure the Administrator is up-to-speed on CFAC as well. I took Mark's talking points from the previous meeting and reworked them a bit. However, there are several blanks I need some help filling in.

Could you please add some information and send the revised draft back to me by COP today. Sorry for the quick turn-around – I just found out about the Tester meeting this morning.

Thanks!
Rebecca
